CONGRATULATIONS!

From the East

By Paul Rodriguez-Obrien—Master

Brethren and Families,

Now that we are in the full swing of this shelter-in-place regimen, we can see that the world will keep turning and we will continue to survive to see better days.

Planning and attending social gatherings via internet conferencing has become the norm as well, and the month of October will be no exception. We have several Zoom gatherings this month, and an award presentation that I'm sure will be a great success.

On October 10th-11th, the "171st Annual Communication" of the Grand Lodge will meet, and will consist of the legislation and the Installation of the Grand Officers.

The Saturday Business Session is open to all Master Masons and Sunday's Public Ceremonies and Installation are open to all.

Please go to the Grand Lodge website to register: <https://freemason.org/annualcommunication>.

On October 22nd at 7 PM, I'm planning the "Crow Canyon 551 Past Masters' Roll Call". This event is open to all Masons and in honor of our lodges Past Masters. A night to reminisce of their year, its triumphs and difficulties, and the up-and-coming Masons they have helped develop.

October 29th at 7:00 PM will be the celebration of W. Bro. Ron Katz's virtual Hiram Award Ceremony.

This is in recognition of a very worthy brother who tirelessly keeps our lodge and our history accessible on the World Wide Web. He also heads up the editing of our monthly Trestleboard.

I wish we could do this right (and customary) with everyone attending this momentous occasion at our lodge; enjoying each other's families and company; topped with an excellent Prime Rib Dinner with fixings prepared by our heralded W. Exec Chef Roy Tamez and his Outlaw Culinary Crew.

However we will endeavor to host a memorable presentation for Worshipful Ron via a Zoom gathering which will be open to anyone and everyone.

The "Zoom" meeting room ID for this event will be 618-797-9982. Please open your calendar and save this date and time. Come wish Ron heartfelt congratulations on a job well done!

Lastly for this article, I would like to remind my Brothers of the "Lodge Zoom Night" on November 5th. The Zoom meeting ID will be, as always: 618-797-9982. Please call

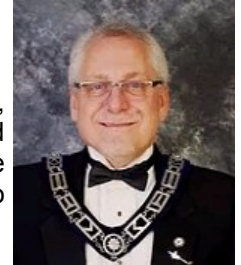

or email me if you need help connecting to our Zoom gatherings.

Until then, stay safe, stay healthy, and know that you are a valuable part of our Masonic family. We are here to help and support you in any way we can. Just reach out and call. Our phone numbers and email address are easily found within this Trestleboard.

From the West

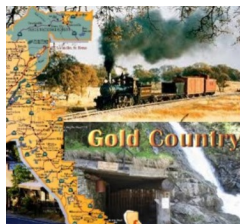

By Brian Ross—Senior Warden

Brethren, as many of you are aware, our Grand Master is from the Gold Country and has tried to bring a little of that history as it pertains to Masonry to the fore.

As I have written before, I have enjoyed the educational series put on by the Grand Lodge by video platform. I have especially enjoyed the programs involving Masonry and the California Gold Rush.

To wet my whistle, I took the time this summer to travel Highway 49 and was treated to a wealth of Masonic sites to and including the historical lodges in Sutter Creek, Mariposa, Sonora and Columbia. Thereafter, I traveled to

the Eastern Sierra and the high desert near Bridgeport, Mammoth Mountain and Mono Lake, California. Masonic history can be found deep in the hills at the ghost town in Bodie, California where the Masonic section of the old pioneer cemetery is a real treat to see. Poking around on the off-road I once again discovered the

old ghost town of [Masonic](#), a gold mining town founded by our early pioneering brothers. While marveling at the ruins, an elderly man and his wife drove up and I had the pleasure of speaking to them about the mine and its Masonic history. Come to find out, he was a member of the Masonic Lodge in Bishop, California. (Winnedumah Lodge #287) and was fluent in the history of our Masonic brothers in the Eastern Sierra.

On this particular visit, he was surveying the area in an effort to find "Jubal___, Jubal___ and Jubal___" mines which are said to be found somewhere in the hills nearby. What a summer!

It goes without saying again – I can't wait to get back to lodge and enjoy all of the brotherly love and friendship we all miss so much. Let's hope that our wait is about to be over!

171st Annual Communication of the Grand Lodge of California

Be a part of the first virtual Annual Communication of the Grand Lodge of California, where we will do the essential business of our fraternity and celebrate our good work during this challenging year.

All Master Masons are invited to attend the business sessions of this historic virtual event, which will include video, Zoom presentations, and more. Though we'll be meeting exclusively online this year, participants will leave the weekend with a deep sense of appreciation for California Masonry and a renewed perspective of what we are capable of achieving together.

Past Masters' Virtual Roll Call

On Thursday, October 22nd, the Worshipful Master has scheduled a Past Masters' Virtual Roll Call. What is it? Who can attend?

The Past Masters' Roll Call is an annual tradition of our Lodge. At the event, which is usually a stag (men-only) dinner, the Secretary reads a list of all living Past Masters and the names of the brethren who were raised to the Sublime Degree of Master Mason in their year.

For all Past Masters present there is an opportunity to reminisce about their year, and the others present can also share their recollection.

This is a great opportunity to learn more about the lodge you are a member of.

This event is open to all Masons (Entered Apprentice though Master). Come join the (virtual) fun!
