From the East

By Bob Pinkerton, P.M.—Worshipful Master

We had our visitation in Columbia and I must say that we had a good time. As may happen when you have a degree in a different place many small adjustments may have to be made to accommodate different facilities. This made things both interesting and a little exciting, but the 2nd best part of the degree was holding it in one of the historical lodges in the state. The best part was seeing Brother Sepulveda (Frank) being initiated into Masonry. When you see Bro. Sepulveda in lodge please make him feel welcome. Some brothers and their significant others came up just for the day, and others spent the night and took advantage of visiting the local sites and, in some cases, visiting the local wineries in Sonoma.

Our November meeting will be quite busy with the election of next year's officers. I am looking forward to seeing the new set of officers installed in their respective chairs in December. I am sure they have an exciting agenda planned for the next year. I am sure that you will give our new Master the same or better support that I received. I could not have wished for a better crew of officers or better support from the brothers. You all make the difference in this lodge and make it stand as one of the premium lodges in the Bay Area (and as far as I am concerned in the state as well). It is with bittersweet, yet excited feelings that I pass on the torch to our new Master. As I get older, my mind does not work as well as it used to, and I struggle to keep my work in order. I have been Master four times and it is time for me to step out of the active line and have new blood to take over. That being said, I cannot think of any greater honor than that in which you have entrusted me this last year. Bless you all.

The next two months, both being holiday months, will be a great chance to spend time with family as our calendar year comes to an end. The last two Thursdays of each month will be dark since Thanksgiving and Christmas, as well as other religious holidays occur during this time and families will be traveling and visiting with one another. Brothers, I have been looking on the internet and other areas of the world celebrate the holidays in different manners than we do. I hope that when we are offering up our prayers and thanks to the GAOTU that we remember to include the entire species of humanity as well as our close loved ones.

This is the last Trestleboard article that I will be writing this year as Master of the Lodge. I have been wondering about what to write about this time, and always have trouble coming up with a topic that may be relevant. The Holiday season is upon us, although Thanksgiving has not yet occurred, the merchants are already decorating their stores for Christmas (for the politically correct- the Holiday Season) and are already having specials on sales. For some reason, this depresses me rather than uplifts me. It is not even Halloween yet as I write this. I grew up watching the old movies and classics such as Charles Dickens' "A Christmas Carol", "It's a Wonderful Life", "Miracle on 34th Street" and "A White Christmas". Although these movies are part of our pre 1960's heritage and reflect a Christmas theme popular

at the time, these movies did not celebrate the commercial side of Christmas, but rather the human spirit of the season; that of caring for one another in our relationships and concern about how we treat one another, and that of our individual faiths. Many movie critics criticize these movies for being simply moralistic, maudlin, and feel good movies. Yet, I ask, what is the harm in feeling good about your fellow man? I hope you all enjoy your holidays.

One last thought on Masonry. In my opinion Masonry is like the strong Lighthouse standing on a foundation of bedrock, casting its light out in the darkness during the stormy passages of ones life that good men may safely navigate the perils of the rocks and shoals placed in their path. Although it is not a place of worship or a religion, it continually reminds us in everything we do that we should follow our faith in our respective beliefs regarding the Almighty and allow others to do the same. Let the light of Masonry shine in all our actions and relations.

I wish to thank all the Officers, Committee Members, the Kitchen crew and other people who have stepped up to the plate when needed and helped make this year as successful as it was. I am not going to even attempt to name them all individually as it would take more space than I am allotted here, but you know who you are and you have both my love and gratitude.

From the West

By Michael Ramos—Senior Warden

We once again find ourselves at the beginning of another Holiday Season, and with that being said, I wish each of you a Bountiful Thanksgiving, a Happy Hanukah, a Merry Christmas and a Safe and Happy New Year. I hope all of you are

able to spend time with family and friends where good cheer will be shared and many wonderful memories will be made.

As you know, Crow Canyon's Annual Election of Officers will be held Thursday, November 5th at our Monthly Stated Meeting, and our Annual Installation of Officers for 2016 will be held Saturday, December 6th – Wine & Hors d'oeuvre Social at 5:00 pm, Ceremony at 5:30 pm, Dinner Banquet at 6:45 pm. Brethren, please do keep in mind that this is a ceremonious Lodge event, so please do dress accordingly.

The following day, Sunday, December 6th, Crow Canyon will host its Annual Children's Holiday Party, which will start at 12:00 pm at the CVMC. Beyond sweet treats accompanied by a Magic Show for the little ones, I have it on good authority that W.B. Ferrell was able to reach Ol' St. Nick via his trusty Ham Radio – so, Santa Claus will be in the building. Please do bring your children, grandchildren, nieces, nephews, as we do hope for a wonderful turnout.

Crow Canyon will be observing the Feast of Saint John the Evangelist, a tad early this year, on Thursday, December 10th – a Table Lodge will be opened at 6:30 pm. This historical seven-course dinner event is open to all Brethren, of all degrees, in good standing. Papers will be read and discussion will be lively. Dress is suit and tie for Officers and Brethren alike. Ticket prices will be

\$45.00 per person, which includes full meal with assorted non-alcoholic beverages; wine and port for toasting being donated. Please see our future Senior Steward Bro. Jonathan Prestage for ticket sales and further information.

The rest of December the Lodge will remain Dark, to reconvene for our first Stated Meeting of 2016 on Thursday, January 7th – Dinner at 6:00 pm, Lodge Opens at 7:30 pm. Again, I wish everyone the very best this Holiday Season and I look forward to seeing you in the months to come.

It has been a pleasure to serve the lodge and I regret I will not be continuing on next term. Please support your newly elected officers.

The dues statements will be mailed out Monday November 12th. There are still 19 members who have not paid their 2015 dues and are in danger of being suspended for non-payment of dues. Please check your dues receipt when you receive it. If there are any errors, please advise me ASAP.

Reservations for our Past Masters Roll Call dinner on November 12th at 6:15 PM are a MUST. If you come to the dinner without a reservation you may or may not get fed. Those that made their reservation will be fed first. Call me at 510-258-0654. If I do not answer, leave your name on the lodge answering machine. This affair is for men only.

At our November Stated Meeting, we will voting on the by-law change to raise the application fees to \$300.00 from \$175.00. Only Master Masons in good standing may vote.

Congratulations to our newest Mason, Bro. Sepulveda, initiated at Columbia Historic Lodge

Masonic Family Corner

Bethel No.1 Dublin—In September our Bethel had our regular meeting and participated in the Scottish Games. We also had a fun-filled membership party. Thanks to the membership party, we initiated one girl into our Bethel in October! We also had our regular meetings, although one was held in Colombia, and of course while out there, our Bethel had a blast. Coming up in November we have our two Bethel meetings, a shrine serving, the holiday boutique, and ice skating in San Francisco—Holly C., Senior Princess

As a footnote: Jobs Daughters International made a significant change to their bylaws. Now, if a young lady wishes to join Jobs Daughters and is unable to find a Masonic relationship, she may be sponsored by a Master Mason and be eligible for membership.—W. M. Ferrell Associate Guardian

Lake Chabot Chapter, Order the Eastern Star—invites all to the Installation of Officers on Friday, Nov. 20th at 8PM at the Castro Valley Masonic Center. Come show your support for our Sisters and Brothers. Donna "Wynn" Allen, Worthy Matron-Elect. You'll come away with a smile and a song in your heart.

Meet the New Grand Master

Brother Martin "David" Perry was raised a Master Mason in Silverado Lodge No. 782 of Napa on March 23, 1988. He served his lodge as Junior Warden in 1993. Following consolidation with Napa Valley Lodge No. 93, David served as Master in 1996. He continued to assist his lodge after his term as Master and was recognized with the Hiram Award in 1999.

Brother Perry has served the Grand Lodge of California for over fourteen years including this year as the Deputy Grand Master. In 2000, he was appointed a District Inspector and acted in that capacity for nine years. In 2008, he was appointed the Assistant Grand Lecturer for Division I and served four terms until he was elected the Junior Grand Warden in 2012. David has served on the Grand Lodge Ritual Committee, the Inspectors Training Sub-committee, and the Executive Committee. He has also been a member of the board of directors for the Masonic Homes of California, Acacia Creek, California Masonic Foundation, California Masonic Memorial Temple, and the Nob Hill Masonic Center.

David is a member of Napa Chapter No. 30, Royal Arch Masons, and has received the Royal and Select Master Degrees. He is a member of the Scottish Rite Bodies in the Valley of Oakland, Aahmes Shrine Temple, and is also a member of Saint Francis Conclave of the Red Cross of

Constantine. David is a member of Silver Spray Chapter No. 59, Order of the Eastern Star.

David has been very active with the Masonic youth orders serving as a member of the advisory council for Napa Chapter, Order of DeMolay, and has received the honorary DeMolay Degree for King Solomon's Chapter. He is a past member and chairman of the advisory board for Napa Assembly No. 7, International Order of Rainbow for Girls, and has served multiple terms as Rainbow Dad.

David has been active in the Hopewell Baptist Church and Napa Valley

Baptist Church where he has served as a Sunday school teacher, director and trustee.

He has spent his career as a building service contractor throughout the Napa Valley.

David lives in American Canyon with his wife, Jeanette. They have two adult children, Nicholas, who is a Senior DeMolay, and Courtney, who is an active Rainbow Girl serving this year as a Member of the Grand Executive Committee, Color Bearer and Representative to Colorado and Nevada.

Together we make a profound difference

The Masons of California are committed to personal growth and making a profound difference in the lives of others.

For members

We are committed to engaging and retaining members and their families through an enhanced, sustaining, and relevant membership experience. Fellowship, family, and lifelong learning are important to us. Leadership development and Masonic education are offered in a variety of formats to assist members in their continuous pursuit of knowledge, helping them excel both inside and outside the fraternity.

For California public education

As a fraternity, we have championed many great causes - but perhaps none so personal, or so affecting, as that of public education. From helping to establish the nation's first public school systems to helping bring California's public schools out of crisis in 1920, Masons have been on the forefront.

We continue to be leaders in statewide support of public schools in three critical areas: early literacy skills for kindergarteners at high risk for educational failure; support for advancing instruction in middle school algebra; and scholarships for deserving - but often overlooked - high school seniors who might not otherwise have the ability to obtain a higher education.

The Foundation and California Masons support a number of other important education programs, including advancing nurse education and programs benefiting underserved youth.

For those in need

Relief is one of our enduring and relevant values. We take responsibility for the well-being of our brothers, our families, and our communities. It's our obligation. Our philanthropic causes are supported entirely by our members' generous contributions.

Excellent care and critical services are provided for Masons and their wives and widows at our residential communities for seniors and through our statewide outreach programs for members and their families who are struggling with life's challenges and transitions.

The Masonic Center for Youth and Families answers the need for integrated help for youth who struggle with behavioral or mental health issues. The center is an expansion of the fraternity's commitment to serve youth and families in a meaningful and innovative way.

Center staff- experts in the field of youth psychology- work as a team to provide testing, assessment, and treatment planning services under one roof. A new approach, this comprehensive, integrated model of care is unavailable anywhere else in the country.
